

## User Stories

### Home Page (M):

As a user, I want to have a well-defined home page that tells me about the app and provides me with relevant resources, so that I am kept up-to-date with co-op services.

MoSCoW: Must

### Login (M):

As a user, I want to be able to login only once to the app, so that I can view my bookmarked job listings without having to login every time I open the app.

MoSCoW: Must

### Search by company (M):

As a customer, I want to be able to search for a job by the name of the company, and get all the positions that the company has openings for (eg. Software engineer, programmer etc.).

MoSCoW: Should

### Filtering (L):

As a customer, I want to be able to filter all the jobs by location, field, and, paid/unpaid, and get the relevant jobs.

MoSCoW: Should

### Drexel SCDC Website (S):

As a user, I want to be able to access the link to the SCDC website, so that I can view the events that are taking place or are coming up.

MoSCoW: Could

### Bookmark (S):

As a customer, I want to be able to bookmark a job, which I can view later on a offline or online mode.

MoSCoW: Could

### Résumé (M):

As a user, I want to be able to update/view my resume, so that I can show my resume to employers on-the-go.

MoSCoW: Won't
